

IOMEGA® SCREENPLAY® MX HD MEDIA PLAYER

Enjoy your favorite digital content directly on your TV:

- » Crystal clear quality with 1080p HD video playback
- » Extensive audio and video format support including: H.264, WMV, RMVB, MPEG - 1/2/4, DivX®
- » Easy connection to your entertainment system with: HDMI, Composite Video, and Optical Audio cables
- » USB port allows for multiple sources of content including external hard drives and USB flash drives
- » Up to 2TB of storage capacity

Entertainment Central!

Enjoy your entire digital collection all from one place – your home entertainment center. The Iomega ScreenPlay MX HD Media Player allows you to watch stored movies, videos and photos, and listen to music from your large screen high definition TV instead of confined to a small computer monitor. Plus, it offers high capacity storage for your entire digital collection.

Iomega Protection Suite software is included when you purchase the ScreenPlay MX HD Media Player (via easy download)! Iomega includes Trend Micro Internet Security, Iomega QuikProtect, EMC® Retrospect® Express Backup software, and MozyHome™ Online Backup service to protect your content and your computer.
